

people often ask if i do COMICS or CARTOONS!

look, lady, i don't have time for -

#@#&!! when comics were first published the printing sucked and periods would not print. So...

ANYway, my art is usually DONE IN ONE-- I just BELT it out

WHAT?

VERSATIONS

the AWFUL truth

i am NOT a "natural" talent. i am a bit of a lazy guy who got thru life and made effort when necessary. but drawing? doing my comics and cartoons? PRACTICE. EFFORT. lots of lots of HOURS SPENT DRAWING. lots of learning about storytelling, cartooning. STILL learning...!!
i love drawing more than my iphone, #@\$%ing tiktok, social media... more than inasal.

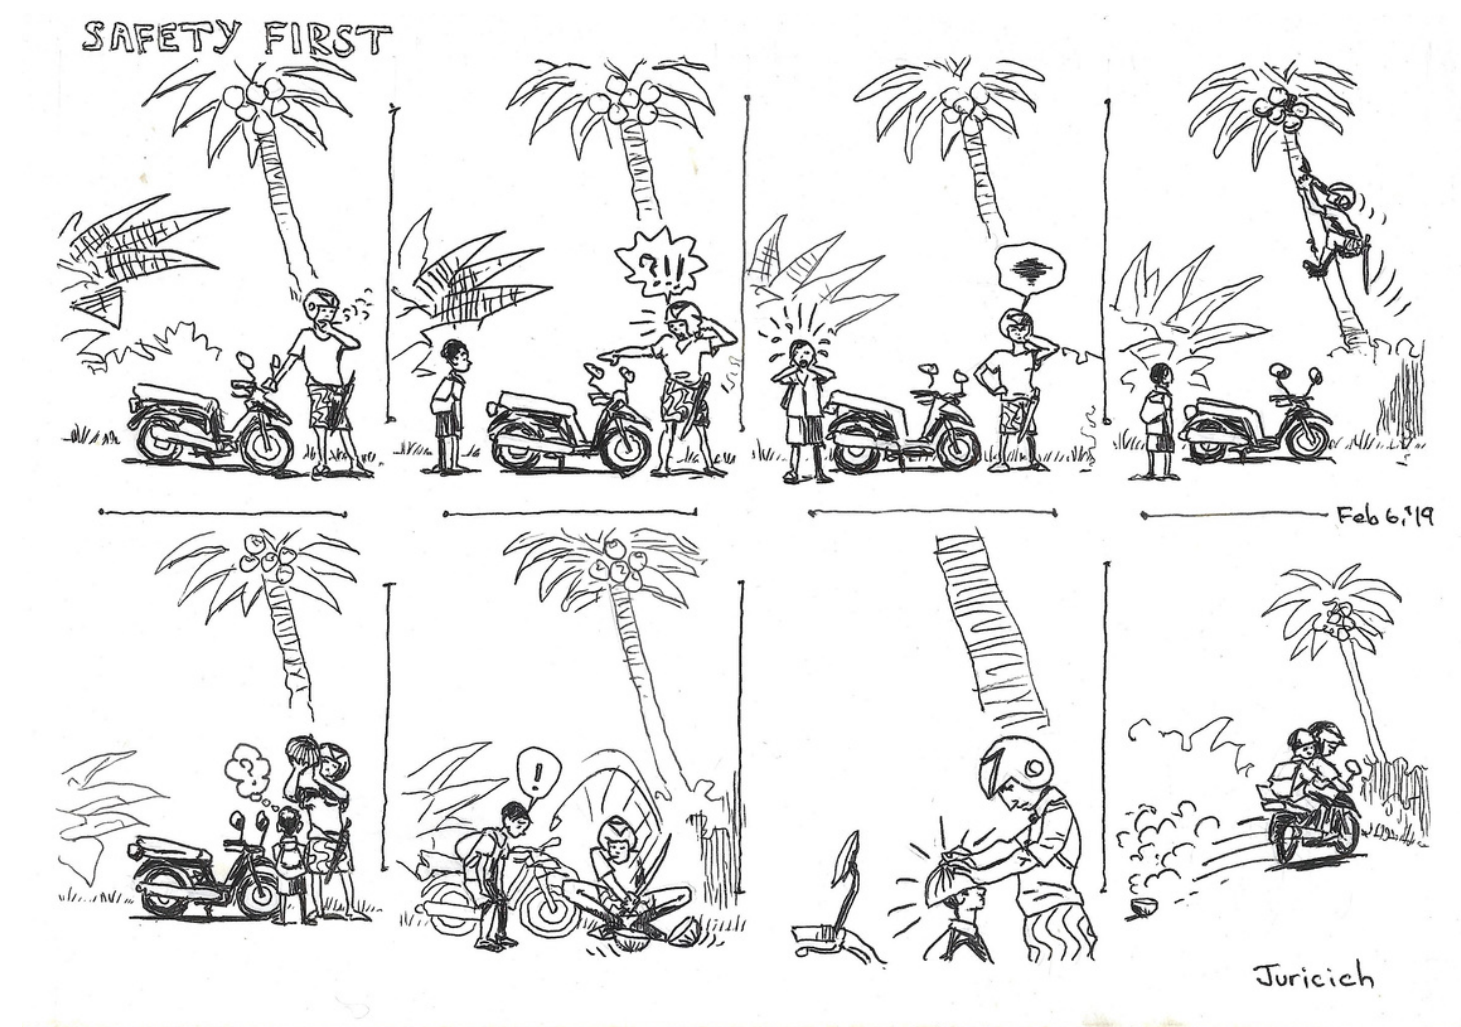

this exhibit shows cartoons i've done from around 2018~2023. on the two pedestals are a pile of my sketchbooks from the same time. my drawings revolve around my retired life and living amidst all you people. (haha) hope you enjoy the show!
