CURATED BY
KARINA AND PAKZ GONZAGA

aRt distRict

This January, Orange Project kicks off the year with a major group exhibition, focusing on collaboration. Each of the twenty-three artist groups and collectives produces a single output, placing a profound emphasis on understanding one another's beliefs, methodologies, and practices. Starting with a simple conversation, ideas take root, supported by a readiness for cooperation and synergy. Co-curated by Karina Broce-Gonzaga and Frelan "Pakz" Gonzaga, CONVERSATIONS opens on Saturday, January 13, 2023, in the Main Gallery and on the second floor of the Orange Project.
